VIRTUAL SYMPOSIUM

The Université du Québec en Abitibi-Témiscamingue (UQAT) and the Canadian Institute of Mining, Metallurgy and Petroleum (CIM), invite you to attend the Virtual Symposium 2021 on Mines and the Environment, from June 14 to 16, 2021.

The Symposium is the result of a collaboration between the Research Institute on Mines and Environment (RIME) UQAT-Polytechnique, the Unité de Recherche et de Service en Technologie Minérale (URSTM), and many government actors and mining companies.

The objectives of the Symposium are to share recent knowledge and research developments and to discuss common practices to find solutions that reconcile resource exploitation and environmental protection.

SYMPOSIUM THEMES

🌿 Tailing Management
🌿 Mine Site Restoration

🌿 Prediction of Quality and Water Treatment
🌿 Responsible Development and Mining Innovation
